1 I, Peter F. Del Greco, pursuant to 28 U.S.C. § 1746, declare as follows:

2 1. I am an attorney admitted to practice law by the State Bar of California and by this
3 Court. My California Bar Number is 164925. I am an Enforcement Staff Attorney with Plaintiff
4 Securities and Exchange Commission ("Commission"). My office is located in the
5 Commission's Los Angeles Regional Office, and my address and telephone number are 5670
6 Wilshire Boulevard, 11th Floor, Los Angeles, California 90036, Telephone – (323) 965-3892. I
7 make this supplemental declaration in support of the Commission's *Ex Parte* Application for
8 Temporary Restraining Order (1) Freezing Assets; (2) Appointing a Temporary Receiver; (3)
9 Requiring Accountings; (4) Prohibiting the Destruction of Documents; (5) Granting Expedited
10 Discovery; and Order to Show Cause Re Preliminary Injunction and Appointment of a
11 Permanent Receiver the "*Ex Parte* Application"). I have personal knowledge of each of the
12 matters set forth below. I am an attorney of record for the Commission in this matter.

13 2. On April 28, 2008, the Commission filed its *Ex Parte* Application and supporting
14 evidence with this Court.

15 3. By this supplemental declaration, the Commission, through its attorney, acts
16 pursuant to Rule 65(b)(1) of the Federal Rules of Civil Procedure, which requires that "the
17 movant's attorney certifies in writing any efforts made to give notice and the reasons why it
18 should not be required", and Local Rule 83.3(h)(2) of the Local Rules for the Southern District
19 of California, which requires that a party making an *ex parte* application must provide notice
20 unless "it appears by affidavit or declaration . . . that for reasons specified the party should not be
21 required to inform the opposing party or the opposing party's attorney."

22 4. The Commission did not provide advance notice, and made no effort to provide
23 advance notice, to any of the defendants or relief defendants, or their counsel, named in the
24 Commission's underlying Complaint or subject to the relief sought by the Commission pursuant
25 to its *Ex Parte* Application. The Commission is unaware of any counsel representing or claiming
26 to represent any of the defendants or relief defendants in this matter. Indeed, as set forth in the
27 Declaration of Marc Blau ("Blau Dec.") that was filed concurrently with the *Ex Parte*
28 Application, on April 9, 2008 I sent a written request for documents and other information to

1 defendant Plus Money care of defendant La Madrid, and have never received a response from
2 either defendant or from anyone claiming to represent them. (See Blau Dec., ¶ 19, Ex. 44.)

3 5. It is clear from the evidence submitted in support of the Ex Parte Application that
4 immediate and irreparable loss will result unless the Ex Parte Application is heard without
5 advance notice to the defendants and relief defendants. The justifications for waiver of the
6 notice requirement are threefold. First, the fraudulent scheme is ongoing, as the defendants
7 continue to deceive investors as to the true nature and current status of their investments. As
8 detailed in Section II(C) of the Memorandum of Points and Authorities in support of the Ex Parte
9 Application ("Memorandum") and in paragraphs 30 through 32 of the Complaint, the defendants
10 continue to provide investors with e-mails containing false statements about the safety of their
11 investment and the reasons for their failure to make monthly profit payments. Second, it is
12 important that the misappropriated investor funds be frozen before the defendants and/or relief
13 defendants have the opportunity to secrete or further dissipate them, so that they are preserved
14 for the benefit of the defrauded investors. As detailed in Section II(D) of the Memorandum and
15 paragraphs 26 through 29 of the Complaint, the defendants transferred at least \$7.6 million of
16 investor funds to relief defendants Palladium Holding Company and Don Lopez, who
17 immediately began to dissipate those funds by transferring millions to numerous entities
18 controlled by relief defendant Lopez and by engaging in a series of short-sale transactions
19 involving Treasury bonds. Third, there is reason to believe that relief defendant Palladium is
20 about to withdraw the misappropriated investor funds. Today, April 30, 2008, the Commission
21 was in communication with representatives of Legent Clearing, the clearing agent for EKN
22 Financial Services, Inc., about Palladium's account at EKN. Legent Clearing informed us that
23 Palladium appears to be preparing to withdraw the money from its account at EKN today or
24 tomorrow because, for the first time since November 2007, the account is in an all cash position

1 and the last of their bond trades will settle today. For all of these reasons, these assets are at risk
2 of further dissipation by the defendants and relief defendants unless emergency relief is granted
3 without notice.

4 I declare under penalty of perjury under the laws of the United States of America that the
5 foregoing is true and correct. Executed this 30th day of April 2008 in Los Angeles, California.
